

PORTION OF R. J. REYNOLDS TOBACCO COMPANY'S PLANT 1906

The Largest, Best-Equipped and Cleanest Flat Plug Tobacco Manufacturing Plant in the World

The Reynolds factories, equipped with every modern appliance for producing the best chewing tobacco by a clean, sanitary and healthful process, under the direction of men who have made the business a life study, are located in the centre of the Piedmont tobacco belt, known to the world as the best productive soil for tobacco with an aroma so delightful, pleasing and appetizing that it created and popularized the fondness for chewing tobacco.

Only choice selections of this well-matured, thoroughly cured leaf are used in SCHNAPPS and others of the high-grade Reynolds brands, and expert tests prove that this tobacco requires and takes a smaller

amount of sweetening than any other kind, and has a wholesome, stimulating and satisfying effect on chewers.

SCHNAPPS is the brand that made the Reynolds factories famous as the manufacturers of the best and most popular brands of chewing tobacco, and made necessary the enormous growth

from a small factory in 1875 to the largest flat-plug factory in the world. The men who started the

Reynolds Co., in 1875, are directing it to-day. There are a greater number of manufacturers making imitations claimed to be just as good as SCHNAPPS than any commodity manufactured; yet there are more pounds of SCHNAPPS chewed than the total amount of all imitative brands, or tobacco of similar appearance.

Be sure the letters on the tag and under the tag spell S-C-H-N-A-P-P-S, and you will have the goods.

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments. The "Night Cure," as its name implies, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, causes nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as a general tonic to the system. For positive local help, use as well

Seriously Sprained.

"Good morning, John. How's your family?"

"All well, thank you, except my wife. She slipped down the other day and badly sprained her back. She's tried everything the neighbors recommended, but continues to suffer terribly."

"Sorry, old man, but let me give you a bit of advice. Quit trying all the things advised by your neighbors. No need to get a doctor. Just go to C. A. Milford, Abbeville, S. C., and get a bottle of Andes' Great Oil. One good rubbing with that will fix her all right, and it costs but fifty cents—enough to cure a dozen sprained backs."

Andes' Great Oil carries the open formula on every package, and is the modern wonder for relieving all kinds of aches, pains, bruises, sprains, cuts, burns, cramps and stiff or drawn muscles. Such little things as headache, toothache, neuralgia and internal cramps are relieved in two to five minutes, and if, after you have tried the remedy, you are not pleased with results, the manufacturer will return your money. Get a bottle and keep it in the house for emergencies.

Trouble of the stomach, heart or kidney, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—means stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its mark. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free book now Dr. Shoop's Restorative.
